

# Route 250 (Churchville Avenue)

Augusta County

## ***Bell Creek Bridge Replacement and Temporary Detour*** *Summer 2020 to Spring 2021*

 Road/Entrance Closed

 Traffic-Control Barrels

***Route 250 detour using temporary Bell Creek bridge and Route 732***

While contractors replace the Bell Creek bridge, Route 250 (Churchville Avenue) traffic will follow a short detour that includes a temporary bridge and a portion of Route 732 (Franks Mill Road). This detour is scheduled to be in place for about one year. Details and updates are available on the VDOT website at [bit.ly/250BellCreek](https://bit.ly/250BellCreek).

# Route 250 (Churchville Avenue)

Augusta County

## ***Bell Creek Bridge Replacement and Temporary Detour*** *Summer 2020 to Spring 2021*

 Road/Entrance Closed

 Traffic-Control Barrels

***Route 250 intersections with Routes 732 and 840, including access to Jake's Convenience***

While part of Route 250 (Churchville Avenue) is closed for bridge replacement, access to Jake's Convenience will be limited to one entrance/exit along Route 732 (Franks Mill Road) and one entrance/exit along Route 840 (Old Churchville Road). These restrictions are scheduled to be in place for about one year. Details and updates are available on the VDOT website at [bit.ly/250BellCreek](https://bit.ly/250BellCreek).
